*Chairman*

24 April 2018

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Share Buy-back Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which is set out as follows:

### **1. SHARES IN ISSUE**

As at the Latest Practicable Date, there was a total of 6,208,734,000 Shares in issue. Subject to the passing of the resolution granting the Share Buy-back Mandate and on the basis that no further Shares are issued or bought back during the period from the Latest Practicable Date to the date of the Annual General Meeting, the Company will be allowed under the Share Buy-back Mandate to buy back a maximum of 620,873,400 Shares, being 10% of the total number of Shares in issue as at the date of the passing of the relevant resolution at the Annual General Meeting during the period ending on the earliest of (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required to be held under the applicable laws or the Articles of Association; or (c) the revocation or variation of the authority given under the resolution by an ordinary resolution of the Shareholders in general meeting.

### **2. REASONS FOR SHARE BUY-BACK**

The Directors have no present intention to buy back any Shares but consider that the ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value of the Company and/or its earning per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders as a whole.

As compared with the financial position of the Company as at 31 December 2017 (as disclosed in its audited accounts contained in the annual report of the Company for the year ended 31 December 2017), the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed buy-back were to be carried out in full during the proposed buy-back period. In the circumstances, the Directors do not propose to exercise the Share Buy-back Mandate to such an extent as would have a material adverse impact on the working capital or gearing ratio of the Company.

### **3. FUNDING OF BUY-BACK**

The Company is empowered by its Articles of Association to buy back its Shares. In buying back Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association and laws of the Cayman Islands. Under the laws of the Cayman Islands, payment for a share buy-back by the Company may only be made out of profits or the proceeds of a new issue of Shares made for such purpose or out

of capital of the Company. The amount of premium payable on a buy-back of Shares may only be paid out of either the profits or out of the share premium of the Company or out of capital of the Company.

In addition, under the laws of the Cayman Islands, payment out of capital by a company for the purchase by a company of its own shares is unlawful unless immediately following the date on which the payment is proposed to be made, the company shall be able to pay its debts as they fall due in the ordinary course of business. In accordance with the laws of the Cayman Islands, the shares so bought back would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

#### **4. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS**

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules), has any present intention to sell any Shares to the Company in the event that the Share Buy-back Mandate is granted by the Shareholders.

No core connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/ it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Share Buy-back Mandate is granted by the Shareholders.

#### **5. UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange that, they will exercise the power of the Company to make buy-backs pursuant to the proposed resolution in respect of Share Buy-back Mandate and in accordance with the Listing Rules, the Articles of Association and the laws of the Cayman Islands.

#### **6. EFFECT OF TAKEOVERS CODE**

A buy-back of Shares by the Company may result in an increase in the proportionate interests of a substantial shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Kang Baohua, the chairman and controlling shareholder of the Company, was interested in 3,542,240,694 Shares, representing approximately 57.05% of the issued share capital of the Company. In the event that the Directors exercise in full the power to buy back the Shares which is proposed to be granted pursuant to the Share Buy-back Mandate, the shareholding of Mr. Kang Baohua and his associates in the Company will be increased to approximately 63.39%. Such an increase will not give rise to an obligation to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

The Company has no intention to exercise the Share Buy-back Mandate to such extent that it would give rise to an obligation to make a mandatory offer under the Takeovers Code or result in the amount of shares held by the public being reduced to less than 25% of the total number of Shares in issue.

## 7. SHARE BUY-BACK BY THE COMPANY

In the six months preceding the Latest Practicable Date, neither the Company nor any of its subsidiaries has bought back or sold any of the listed securities of the Company.

## 8. SHARE PRICES

The highest and lowest traded prices for Shares on the Stock Exchange during the 12 calendar months preceding the Latest Practicable Date were as follows:
